HUMBOLDT COUNTY CONFIRMS 46th COVID-19 DEATH

WINNEMUCCA, Nev.— Humboldt County has confirmed its 46th death from COVID-19, and the second for 2022.

Humboldt County Health Officer Charles Stringham, MD, said the man, who was in his 80s, died while hospitalized after becoming severely ill. He was one of Humboldt County's previously confirmed cases.

"We express our deep sadness and condolences to the family and friends of the deceased," said Dr. Stringham.

"We hope the coming weeks and months will bring peace and healing to all who have been affected by this death."

Dr. Stringham continues to urge all eligible residents to get fully vaccinated with the two-dose Moderna or Pfizer vaccines, and to receive a booster vaccine.

The doctor also continues to recommend that unvaccinated and vaccinated individuals wear N95, KN95 or KN94 masks while indoors or while in crowded outdoor settings.

The following vaccination opportunities are available to Humboldt County residents:

- **Ridley's Pharmacy** is offering the Moderna, Pfizer and Johnson & Johnson vaccines to Humboldt County residents age 16 and older. No appointment is necessary; drop by anytime between 9 a.m. and 6 p.m. Monday through Friday, not including holidays.
- **The Walmart Pharmacy** in Winnemucca is offering COVID-19 vaccines to all individuals age 5 and older, including boosters for persons age 16 and older. Vaccine type depends on age and availability. No appointment is necessary; go to the pharmacy drop-off window to ask for assistance.
- **The Community Health Nurse** is offering vaccination appointments to all individuals age 5 and older, including boosters for persons age 12 and older. Please call (775) 626-6575 to schedule.

COVID-19 testing locations in Humboldt County include:

- **Humboldt General Hospital Screening Clinic** - Humboldt General Hospital Screening Clinic -

Offers drive-thru screening for asymptomatic and symptomatic persons from 8 a.m. to 5 p.m. Monday through Friday (closed from 11 a.m. to 1 p.m. for lunch). Call (775) 623-5222, ext. 1379 to schedule an appointment. Located at 51 E. Haskell Street, across from Humboldt General Hospital.

- **Golden Valley Medical Center** - Private clinic owned by Nevada Gold offers screening for asymptomatic and symptomatic persons. Call (775) 625-4653 for an appointment.
- **Ridley's Pharmacy** - Offers in-vehicle PCR send-out testing for asymptomatic and symptomatic individuals. Go [here](#) and follow the prompts to schedule an appointment.
- **HGH Emergency Department** - Those who experience severe COVID-like symptoms should go directly to the HGH Emergency Department, which is open 24 hours a day, or call 9-1-1 for emergency assistance.

For those who test positive for COVID-19 and are experiencing mild to moderate symptoms, Humboldt General Hospital offers a drive-through monoclonal antibody clinic. Treatments are available Monday through Friday. To schedule an appointment, please visit www.hghospital.org/covid. Those who cannot access the online registration should call (775) 623-7923. Proof of a positive COVID test is required. There is no cost for the drug, although patients will be charged a fee for its administration. Patients must be 12 years or older AND weigh more than 80 pounds to participate.

Local COVID-19 information is available in Spanish @CovidEspanol. Humboldt County COVID-19 updates and information are available in English at @HumboldtCountyNV and @StopHumboldtCoronavirus.

Humboldt County has established a COVID-19 vaccine recorded information line in both English and Spanish. Call (775) 375-3200 to hear the latest about vaccine allocations, local distribution opportunities and changes as they occur. The line is updated with new information every Friday (not including holidays), or as needed. Information is also available by emailing vaccine@humboldtcountynv.gov.
