14 May 2025

Dear Senior:

Humboldt County has been awarded a grant from the Nevada Fire Chiefs Wildfire Risk Reduction Grant to provide a wildfire preparedness service for senior residents in the County.

Humboldt County Emergency Management and the Pleasant Senior Center will be coordinating a list of County senior residents who may require property clean-up to develop appropriate defensible space around their home. Humboldt County Emergency Manager will work with local businesses to provide this clean-up for the upcoming wildfire season.

This service is intended for those seniors **over the age of 65 who are not able to clear their property or do not have a family member, friend, or neighbor to help them** develop defensible space to reduce the risk of wildfire damage to their home.

If you wish to be added to the 2025/2026 please read and fill out the attached self-declaration Wildfire Risk Reduction Assistance application form and return it to Pleasant Senior Center or to Humboldt County Emergency Manager at the address below.

If you have any questions, please reach out to me.

Sincerely,

Carol Lynn
Emergency Manager
